HEATED GARAGE

## A comfortable layout with room to live, gather, and grow.

The main level connects a spacious living room with the kitchen and dining area. A private bedroom wing includes three bedrooms, one full bath, and one half bath. Updated flooring and fixtures complement the home's clean, well-maintained appearance.

### FINISHED LOWER LEVEL

Large recreation room with a gas fireplace, built-in shelving, and accent lighting. Additional entertainment space, a full bath, laundry area, and a flexible room support guests, work, hobbies, or storage.

### GARAGE & OUTDOOR LIVING

The heated, fully insulated two-car garage includes upgraded lighting, an insulated door, a newer opener, and storage above. A covered patio and grilling area create a comfortable outdoor gathering space.
